

**MANUFACTURERS OF SUPERIOR QUALITY PRODUCTS**

*Since 1975*

## COMPANY PROFILE

Established in the year 1975, at Ludhiana (Punjab, India), we, “Nagi Hydraulic”, are noted amongst the renowned manufacturer and supplier of a comprehensive assortment of Deep Draw Machine, Die Fitting Machine, Sheet Bending Machine, Multipurpose Machine, Extra Heavy Duty Bar Cutter Machine, Pipe Bending Machine, Round Cutter Machine, Sheet Crimping Machine, Sheet Cutter Machine, Shearing Machine, Hydraulic Hand Operated Machine, Hydraulic Iron Worker, Hydraulic Pipe Bending Machine, etc. Our complete product range is manufactured using the best grade raw material and latest machines as per the set industry standards. We are associated with some of the authentic vendors of the industry in order to procure only the best quality raw material. Our offered product range is in high demand owing to its features like a simple operation, precision pressing, robust construction, durability, low maintenance and easy installation. These products are available in various specifications as per the variegated requirements of the customers.

### OUR TEAM

Our business endeavors are supported by the service and assistance of a qualified crew of professionals who are experts in their respective domains.

### INFRASTRUCTURE

We rely on the competency of our skilled professionals and state-of-the-art infrastructure to develop world-class products, as per established industrial standards.

### QUALITY ASSURANCE

Nagi Hydraulic is a quality conscious company. Therefore, we provide high importance to qualitative aspects, whether it is about products' quality or about services.
